

# Multi Master Banner Stands

The clever MultiMaster  
– indeed a versatile stand

This multi-purpose stand masters perfectly graphic banners, rigid panels and frames (Flexiframe and BudgetFrame). It impresses with a super height of up to 12 feet, thanks to the telescopic pole and can be tailored to any desired width – no need to change your original artwork. MultiMaster is available in anodised aluminium or in a scratch-resistant matte black finish.

Use our unique Mark Bric banner rail, or special plastic strips with tape, to attach graphic banners to the stand. Multi-connectors hold both plain boards and frames.

The stand comes conveniently packed in a carrying bag with space for the graphic banner as well.

This versatile stand can use banner material or hold mounted and laminated prints. Comes complete with hard carrying case.

3 ft. Single sided stand \$179.00

3 ft. Double Sided Stand \$199.00

*Call or view catalog for other width pricing.*
