

Large Format Prints

Available up to 42x74 inches, Cooper's only uses the highest quality materials in our large format printing. Cooper's use pigmented archival inks that last 85 to 200 years depending on your paper selection. Our photographic large format prints can be printed on 7mil paper that then can be mounted and laminated. We will also print on 10mil paper if the print is to be matted and framed. Both papers produce high quality photographic prints. *Quantity Pricing Available. Sample sizes below. Custom sizes available.*
