

## Mounting and Laminating on Gator Board

We can mount and laminate your photo or large format print on 3/16 black Gator board with a Glossy or Matte over-laminate. This increases the durability of your original and gives it increased UV protection. Your print can also be finished with our pro-edging system to give it a professional finish. Standard pricing up to 16x20, after this size we move to a per square foot price. *Note: Large format prints heavier than 7mil should not be laminated. Prints in heavier weight may delaminate.* Quantity pricing is available.
